

If your ceiling fans are dusty, I can clean them while servicing your air conditioner.

Quick and convenient add-on service while I'm already on site.

### Fan Cleaning

Fan blades wiped and deep cleaned

Removes built-up dust, dirt, greasy residue (common in kitchen areas), and any surface mould

Helps reduce dust circulating

Areas protected with a tarp (especially above beds or furniture)

Surrounding areas wiped if needed

Max. ceiling height: 2.7 metres (standard ceilings only)

Fan cleaning service (per fan) **\$35.00** Including GST.

10% surcharge for weekends and public holidays

Cleaner Air Starts Here! Start having fresher air now. Call now for your FREE no-obligation inspection.
